A little note from Sunny

Hello, and Happy Thanksgiving!

I made this little pack for families to share at the table, at the kitchen counter or on the couch after the pie.

If the conversation cards get someone telling a story you've never heard before, then the pack has done its job. The puzzles are just a nice excuse to sit together for a while.

If you enjoyed these, there are 100 more puzzles in each of my books, one each for the 1950s, 1960s and 1970s. They use the same big 22pt print, with the answers in the back. No pressure at all: the free printables are yours to keep and share either way.

Wishing you a warm and happy holiday,

Sunny
